for more information on Covid-19 resources from GEB Network partners please visit: <https://www.geb.com/covid-19/geb-network-coverages>

¹ Provided for 60 days (starting 13 March 2020) between patient and local physician; available on an ongoing basis between patient & overseas physician.

² Provincial governments provide telehealth services for free. Sun Life offers a virtual care service at an additional cost.

³ Using the telemedicine service creates a claim under Outpatient services.

⁴ Cost varies based on the plan offered through the local insurer.

⁵ This service provides medication delivery between countries (cross-border shipments).
