My Digital Doctor

Enjoy free access to our independent virtual doctor service.

Download My Digital Doctor App, and access this service worldwide* 24/7!

Our members and their dependents enjoy free access to My Digital Doctor. My Digital Doctor is an independent online doctor service that can be accessed via the My Digital Doctor app or by selecting the My Digital Doctor link on your Member Portal.

Organise phone or video consultations (*access to wi-fi or mobile networks is required) with internationally certified doctors, in the language of your choice, and access medical practitioners in a fast and convenient way.

Inquire about symptoms, medications or treatment plans in a private setting with full confidentiality, without having to leave your home or work.

For more information on the services available with our plans, please visit your Member Portal.
