

THAILAND

GEB Network Partner: Generali Thailand

HEALTH BENEFITS

Generali Thailand, established in 2002, has become one of the leading group life and health insurers in the local market, providing group employee benefits to over 1,000 local and multinational companies. Generali Thailand is considered a trusted, financially stable insurance partner in the local market, providing clients with outstanding client service, competitive pricing and ongoing product/service innovation.

MEDICAL PLAN MANAGEMENT

Key plan management capabilities include:

- Available benefits include Outpatient, Inpatient, Pharmaceutical, Maternity and Dental for Employees and Dependants;
- Group Medical plans may be customised to include member cost share components (e.g. co-payments) for specific products;
- Flexible plan design;
- Pre-authorisation available through dedicated customer service team providing verification of coverage and eligibility at/before point of service;
- Member portal via mobile app (called *GEN365*) for access to benefit details and network provider search by geography and specialty;
- Access to a nationwide provider network including hospitals and clinics, with discounts and direct payment options;
- Dedicated Network Management Team focused on credentialing, monitoring, cost containment;
- 24/7 Member service centre providing assistance with benefits questions and payment arrangements;
- Dedicated medical case management team providing assistance before/during hospital stay and post hospital discharge planning.

HEALTH & WELLBEING PROGRAMMES

In addition to comprehensive employee benefit plans, Generali Thailand also offers clients access to a range of health and wellbeing programmes designed to help members *Stay healthy, Return to health after sickness or injury, and Manage chronic illness*:

Stay healthy
