

GEB Network Partner: Eurolink Insurance

MACEDONIA

Established in 2002, Eurolink offers a comprehensive range of products including group and individual Health, Travel, Property and Auto insurance, and specialised insurance solutions for the Aviation and Transportation industries.

MEDICAL PLAN MANAGEMENT

Key plan management capabilities include:

- Comprehensive group and individual benefit products including coverage for Medical and Travel Medical;
- Medical plans may be customised to include member cost-share components such as co-insurance, deductibles, co-payments and/or out-of-pocket maximum limits;
- National provider network offering access to discounted, direct payment arrangement;
- Networks can be tailored to suit client needs;
- Upon request, additional medical facilities can be identified and approached by the insurer for potential network contracting;
- Dedicated network management team focused on credentialing, monitoring, cost containment;
- 24X7 call center offering support for benefit questions, pre-authorisation for care, payment queries.

Macedonia annual medical trend: n/a - AON, WTW, Mercer (2020)

HEALTH & WELLBEING

In addition to comprehensive employee benefit plans, Eurolink Insurance also offers clients health and wellbeing support services designed to help members *Stay healthy*, *Return to health after sickness or injury*, and *Manage chronic illness*:

Stay healthy

- Mental health support services through private hospitals and clinics;
- Predictive medicine via genetic testing (offered with family plans only);
- Healthchecks/biometric screening in private clinics; Executive healthchecks in private clinics;
- Health education;

Return to health

- Coverage for second medical opinions, providing medical consultation and treatment recommendations for complex cases (patients may choose their preferred doctor/specialist for second medical opinion);

Manage chronic illness

- Support through in-house clinical staff to help patients identify/understand treatment and drug therapy alternatives to better manage chronic conditions.

Note: capabilities vary by country and change periodically; for complete details on all current capabilities and programmes please contact your GEB representative.
